Make a Choice

It's not too late to make a choice to become active in pursuing God afresh.

Actively choose to spend time in His presence, to expose yourself to music that

inspires, to turn away from media addiction, to invite Him into every decision, to ask Him which fruit of the Spirit He wants to cultivate in your life today, to pray in a quiet place and not just on the run, to listen for His voice, to read His Word and not just a devotional book, and to ask Him to teach you. He will be true to His promise! He will come near and refresh your soul. Then you will once again have that fresh lunch to place in His hands to multiply and to work a miracle each day.
