Curriculum Fee: There will be a (\$3.00) charge for each PACE issued to the student; this charge will be added to the next month's tuition statement. Textbooks ordered for the entire year will be billed up front with first months tuition. Other curriculum fees may be added through the year for varying classes such as Reading, Art, Music, Bible, Stanford testing, Labs, etc.

Financial Policy: London Christian Academy has since its inception in 1975, striven to maintain the lowest possible cost to its students and families. It is therefore essential that all tuition and curriculum fees be paid promptly. Students attending one day or more of any monthly period will owe the full month's tuition. Any exception to the financial policy and fees made for one student does not necessarily mean an exception will be made for others.

Tuition Payments: For your convenience in making tuition payments, the school year is divided into ten periods, the first payment being due by August 1, 2016. The remaining payments are due on the 1st of each month starting in September and are considered late after the 10th. It is suggested that tuition payments be made by check or money order to avoid loss.

Credit Card Authorization: Each family utilizing the 10 month payment plan must complete a credit card authorization form that is good for the entire year, and authorizes payments up to the full amount of tuition and fees. If payment has not been made by the 10th of the month a reminder letter will be sent. If payment has not been made by the 20th of the month the amount of tuition and fees due will be charged to the credit card account with an additional \$10 processing fee added to the charge made to the credit card. Families not wishing to make a credit card authorization will be required to pay half of the tuition before beginning classes each semester.
